Title: TEMPLE OF BALANCE

Author:

---

Only he who hath achieved  
balance within this temple  
may be free to find  
greater balance on the  
path to the Grand Shrine.

He who wishes to find  
fulfillment must use the  
fire of chaos and the ice  
of order to restore  
balance. Only a true  
serpent of fire and  
serpent of ice will bring  
thee to balance.
